Partnership Depth Self-Assessment

Instructions

- Think of one employer or educational partnership from your own portfolio, existing or aspirational.
- Rate that partnership on each of the eight dimensions below (1 = informal, 4 = embedded).
- Circle or write your score in each row, then total your score in the box below the table.
- With your team, compare scores and discuss the prompts on the next page.

Score Your Partnership

Dimension	1 · Informal	2 · Emerging	3 · Structured	4 · Embedded
Cost-sharing	Partner does not contribute	Partner provides in-kind support	Partner shares some direct costs	Partner covers tuition / major costs
Curriculum control	No partner input	Partner consulted occasionally	Partner co-designs curriculum	Partner delivers training directly
Staffing / instruction	No shared staff	Occasional guest instruction	Regular co-instruction	Partner staff are core instructors
Hiring commitment	No connection to hiring	Referral only, no preference	Interview priority for graduates	Guaranteed placement / internship
Data-sharing & outcomes	No data shared between partners	Outcomes shared informally, on request	Regular outcomes reporting	Joint dashboard, shared accountability
Duration / sustainability	Single cohort, no renewal commitment	Renewed year to year, informally	Multi-year agreement in place	Standing relationship, survives staff/funding changes
Governance structure	Informal, relationship-dependent	Occasional joint check-ins	Defined roles, regular meetings	Formal MOU / joint advisory body
Wraparound support & access	No support beyond curriculum	Referrals to outside support services	Some direct support (e.g. transit)	Full support removing access barriers (childcare, stipend, transport)

Your total score (sum of 8 ratings):	*range 8–32*

Discuss & Report Out

Compare scores with your table, then be ready to share one finding with the room.

Discussion Prompts

- Which dimension is your weakest link, and why?
- If you could move one dimension up by one point in the next 12 months, which would have the most leverage?
- Which case study from today, Homeless Prenatal Program or JVS, does your partnership most resemble structurally, even if your sector is different?

Be Ready to Share

When called on, share just one finding: your lowest-scoring dimension and one barrier behind it.
